Ch. Kismet's Silver Classic Completes His Championship in 2009!

Kismet's Silver Classic, better known as Dylan or "Dilly", completed his championship with well known handler Diana Rockwell of Harper, Texas. He secured his first major at the Shetland Sheepdog Club of Houston Specialty Show last January under Judge Mark McMillan for 4 points.

Dylan's sire is Ch. Kismet's Lasting Impression, a beautiful bi-black, and his dam is the blue merle Kismet's Silver Sateen. He is pictured at left as shown by Mendy Keech of Littleton, Colorado with Judge Mark McMillan for his first major win.

Dylan is a nicely proportioned Sheltie with great movement and flashy markings. Around the house, he is noted for his speed and exuberance. He loves to run as fast as he can for the sheer joy of moving. Dylan has been shown in Texas, Colorado, Louisiana, and New Mexico.

Kismet's Silver Classic is owned by and resides with Mary Visser of Grandview Kennels in Georgetown, Texas. Dylan was bred by Guy & Thelma Mauldin of Kismet Kennels.
